## Let's Connect!

The Connection Card is a great way to communicate with the pastoral staff and extended leadership. We are happy you have chosen to worship with us this morning. If you are a guest with us today, take a moment to fill in the card. For guests and members alike, this card provides several opportunities: make a decision for Jesus, respond to the sermon, or communicate a prayer need or praise. When your card is completed, drop it in the offering plate or turn it in at the Welcome Desk in the Foyer.

## Potluck Luncheon Today

Join us today after the second service for a potluck luncheon for members and guests. This is a great opportunity to meet others in a smaller group setting. Our members have brought enough food to feed their family plus others.

## Spencerville Organ Repair Fund

Thank you to those who have begun to contribute to the fund to repair and restore Spencerville's organ. Your generosity will help to restore the instrument to service for worship and as a blessing to our community. Last week, some progress was made in

isolating the part of the organ that has been causing the sonic outbursts that interrupt worship. Further testing is needed, but the goal is to get at least part of the organ functioning reliably in worship while we complete our fundraising and work towards a permanent fix. Gifts to this project can be made by marking your offering envelope with the word "Organ." Those who use online giving will notice the organ fund in the top section under Local Church.
