Let's Connect!

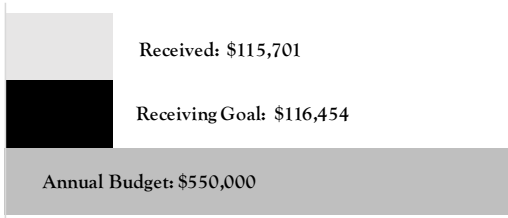

The Connection Card is a great way to communicate with the pastoral staff and extended leadership. We are happy you have chosen to worship with us this morning. If you are a guest with us today, take a moment to fill in the card. For guests and members alike, this card provides several opportunities: make a decision for Jesus, respond to the sermon, or communicate a prayer need or praise. When your card is completed, drop it in the offering plate or turn it in at the Welcome Desk in the Foyer.

About the Music

We are joined for second service by Spencerville Adventist Academy's Concert Winds directed by Lisa Froelich. The anthem is based on the hymn "How Can I Keep From Singing." This arrangement lets the natural beauty of the melodic line speak for itself, while reflecting the lyrics that talk of an inner peace and joy brought about by true faith:

My life flows on in endless song;
Above earth's lamentation,
I hear the sweet, tho' far-off hymn
That hails a new creation;
Thro' all the tumult and the strife
I hear the music ringing;
It finds an echo in my soul—
How can I keep from singing?

About the Flowers

The flowers are presented in celebration of Andrew Burrow's 15th birthday on October 9. "The years tumble by so fast, it is hard for us to believe you are already 15 years old and in high school. We are so blessed that you are our son and brother. Your contagious laughter and sunny spirit brighten our days. You make us proud every day, not only because of the things you accomplish, but because you are a young man of faith and integrity. We love you so much and look forward to seeing what comes next. Happy, happy birthday!"—*Love, Mom, Dad, and Aaron*

The Philcox Family

The Philcox family moved to Maryland this summer after living in Florida the past eight years. Eric owns his own company that digitizes objects and documents for museums, libraries and personal collectors and most of his day-to-day work takes place in Washington, D.C. He loves big dogs and Jiu Jitsu.

Erin is a writer and health coach. She loves reading and has an obsessive organizing habit.

Ryan is a junior at River Hill High School. Thanks to his experiences with a robotics program at Forest Lake Academy and his focused personal interest, he and several classmates participated in an internship this past summer with Loma Linda Health. When he's not designing something, Ryan can be found in Jiu Jitsu classes with his dad.

Raina is in the fourth grade at Spencerville Adventist Academy. She is an enthusiastic artist, an avid reader, and an obsessive fan of cats. She's looking forward to her first "remembered" snowfall.
