Welcome! Let's Connect Virtually!

As you know, the United States and the world are facing the Coronavirus, COVID-19. The church building will remain closed for the time being as we weigh the needs of our community in conjunction with the recommendations set forth by the state and local authorities. Our building may be closed, but the Church is not! May each of us continue to be the Church as we connect with neighbors, friends, and family. We pray that today's online worship service is a blessing!

Worship

You will notice a different venue for our “broadcast only” worship services. This past Monday, the renovations in the Sanctuary began this part. While we are excited to begin this project, the work has made it impossible to broadcast from the Sanctuary. Much of this week’s service was recorded in the auditorium at Spencerville Adventist Academy. As usual, the elements of the service were individually prerecorded, with only essential personnel on site. Information regarding additional ways to digitally connect with each other will continue to be published in the Worship Update newsletter, published every Friday afternoon. If you would like to receive the Weekly Update, sign up by visiting spencervillechurch.org/weekly-update.

2020 Chesapeake Camp Meeting

Due to the impact of COVID-19, the Chesapeake Conference will be hosting a nightly online broadcast of select past camp meeting messages, followed by a live message from President Rick Remmers you will not want to miss. “The Gathering - At Home” online event will take place on June 16-20 at 7:00 p.m. and will be streamed on the

Chesapeake Facebook and YouTube channels. We hope that you will join us there. We’ll see you online!

Doctoral Research

If you became a member of the Seventh-day Adventist church in the last two years, or if you left a church in the last two years; your help is needed to participate in a doctoral research project about the reasons why people leave one church and join another. If you fall into one of

the above two categories and you are interested in participating in the research, please send an email with "Yes" in the subject line to Delvin Chatham at delvin.chatham@my.rockies.edu for more information.

Sabbath School Lesson Discussions with Dr. Frank Hasel

After today's discussion, there are only 3 more opportunities to join Pastor Chad and Dr. Frank Hasel as they continue their informative and inspiring conversations on the Sabbath School lesson study. A series of videos are being released at 9:00 a.m. every Sabbath morning, to serve as a companion to the second quarter Sabbath School lesson. The videos can be found online at spencervillechurch.org/sabbathschool.
