

WE NEED YOUR HELP FILLING THIS BAG

For many years, we've invited our neighbors to partner with us during the holiday season as we provide food to those in need in our local area.

Together, through your generosity and compassion, we've provided thousands of families with a meal for which they can truly give thanks.

This holiday season, we are inviting you to fill this bag with non-perishable foods like cereal, canned vegetables, soup, and boxes of mashed potatoes. A list of some of the most common items needed can be found on the back of this sheet. Please ensure all donated items have their original labels and are not expired.

**Please leave this filled bag
on your doorstep by 10:00 a.m. on
Saturday, November 23.**

You don't need to be home for us to collect the bag, simply fill it up and leave it outside your front door. Our team of young people will stop by and collect the bags between 11:00 a.m. and 2:00 p.m.

Alternatively, you may drop off your donation during business hours at the address below:*
